To the Church & inhabitants
of the Town of Southborough —

Having in a serious manner
taken into consideration your invitation
for settling with you in the
sacred work of the Gospel Ministry. —
And seeing no propriety or scripture
warrant for your present mode and
manner of admitting persons to the
seal of the covenant — think it not
my duty to practise in that way
at present — must notwithstanding
my love and tender feeling for
the dear flock of Christ among you,
give my answer in the negative.
